Office of Economic and Small Business Development (OESBD)**

OFFICE OF ECONOMIC AND SMALL BUSINESS DEVELOPMENT CBE GOALS

Solicitation Language for Municipal Surtax Projects Goal Participation:

- This solicitation includes the following Broward County Certified County Business Enterprises (CBE) goal: 0% CBE Goal.
 - Vendors/firms must follow the instructions included in the Office of Economic and Small Business Development Requirements section and submit all required forms and information as instructed.
- A. The project that is the subject of this solicitation will be funded with proceeds from the Broward County Transportation Surtax Program. Therefore, the Broward County Business Opportunity Act of 2012, Section 1-81, Broward County Code of Ordinances, as amended (the “Business Opportunity Act” or “CBE Program”), is applicable to this solicitation and the contract that will result from this solicitation. All vendors/firms responding to this solicitation are required to utilize CBE firms to perform the assigned participation goal for this contract.
- B. The Broward County Office of Economic and Small Business Development (OESBD) has established the CBE participation goal for this project based upon the proposed scope of services/work for the project. Potential alternate/additional scopes of services/work, optional services and allowances were not considered by OESBD when the CBE participation goal for this project was established. If the City subsequently chooses to authorize any alternate/additional scopes of services/work, optional services and/or allowances, that are determined by OESBD and the Contract Administrator to be funded with proceeds from the transportation surtax, OESBD may apply the established CBE participation goal to the alternate/additional services/work, optional services, and/or allowances. In such an instance, the City will issue a written notice to the successful vendor/firm that the CBE participation goal will also apply to the alternate/additional services/work and/or allowances. The selected vendor/firm shall submit all required forms pertaining to its compliance with the CBE participation goal, as applicable. Failure by vendor/firm to submit the required forms regarding CBE participation may result in the rejection of vendor’s/firm’s solicitation submittal.
- C. CBE Program Requirements: Compliance with CBE participation goal requirements is a matter of responsibility (or the City’s equivalent); vendors/firms should submit all required forms and information with its solicitation submittal. If the required forms and information are not provided with the vendor’s/firm’s solicitation submittal, then vendor/firm must supply the required forms and information no later than three (3) business days after receipt of a request from OESBD. Vendor/firm may be deemed non-responsible (or the City’s equivalent) for failure to fully comply with CBE Program Requirements within these stated timeframes.
1. Vendor/firm should include in its solicitation submittal a Letter of Intent Between Bidder/Offeror and County Business Enterprise (CBE) Subcontractor/Supplier for each CBE firm the Vendor intends to use to achieve the assigned CBE participation goal. The form is available at the following link: <https://www.broward.org/EconDev/SmallBusiness/Documents/SurtaxProjectsService/Intent.pdf>.

2. 1. Vendor/firm may not discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this contract.
 2. All entities that seek to conduct business with the City, including vendor/firm or any Prime Contractors, Subcontractors, and Bidders, shall conduct such business activities in a fair and reasonable manner, free from fraud, coercion, collusion, intimidation, or bad faith. Failure to do so may result in the cancellation of this solicitation, cessation of contract negotiations, revocation of CBE certification, and suspension or debarment from future contracts.
 3. If vendor/firm fails to meet or make Good Faith Efforts (as defined in the Business Opportunity Act) to meet the CBE participation commitment (the “Commitment”), then Vendor shall pay the City liquidated damages in an amount equal to fifty percent (50%) of the actual dollar amount by which Vendor failed to achieve the Commitment, up to a maximum amount of ten percent (10%) of the total contract amount, excluding costs and reimbursable expenses. An example of this calculation is stated in Section 1-81.7, Broward County Code of Ordinances.
 4. Vendor/firm shall comply with all applicable requirements of the Business Opportunity Act in the award of the contract. Failure by vendor/firm to carry out any of these requirements shall constitute a material breach of the contract, which shall permit the City to terminate the contract or to exercise any other remedy provided under the contract or other applicable laws, with all such remedies being cumulative.
 5. Vendor/firm shall pay its CBE subcontractors and suppliers, within fifteen (15) days following receipt of payment from the City, for all completed subcontracted work and

supplies. If vendor/firm withholds an amount from CBE subcontractors or suppliers as retainage, such retainage shall be released and paid within fifteen (15) days following receipt of payment of retained amounts from the City.

6. Vendor/firm understands that the City and County will monitor vendor's/firm's compliance with the CBE Program requirements. Vendor/firm must provide the City with a Monthly Utilization Report (MUR) by the 10th of each month to confirm its compliance with the Commitment agreed to in the contract; MURs can be submitted to the City at cdonnelly@daniabeachfl.gov and online through the Broward County's iContractsCentral application, at the following webpage: <https://www.broward.org/Purchasing/Pages/icontractscentral.aspx>. Timely submission of the MUR every month throughout the term of the contract, including amendment and extension terms, is a condition precedent to the City's payment of vendor/firm under the contract.

1. CONTRACT TIME

- 1.1 Contractor shall be instructed to commence the Work by written instruction in the form of a Purchase Order issued by City's Purchasing Director and two or more Notices to Proceed issued by the Contract Administrator. The first Notice to Proceed and Purchase Order will not be issued until Contractor's submission to City of all required documents and after execution of this Contract by both Parties. Preliminary Work, including submission of a project schedule, schedule of values, submittals, submittal schedule, and other documents required for permitting, and performance of Work that does not require permits, shall commence within ten (10) days after the date of the first Notice to Proceed. Contractor shall have ten (10) days after receipt of signed and sealed contract Drawings from Consultant to apply for construction permits to the applicable permitting authority. Issuance of all permits by the permitting authority shall be a condition precedent to the issuance of a second Notice to Proceed for all additional Work. Except for the reimbursement of permit application fees, impact fees, and performance and payment bond premiums as may be provided in the Contract Documents, Contractor shall not be entitled to compensation of any kind during the permitting process. The Work to be performed pursuant to the second Notice to Proceed shall commence within ten (10) days after the Project Initiation Date specified in the second Notice to Proceed.
- 1.2 Time is of the essence throughout this Contract. Contractor must obtain Substantial Completion of the Work within two hundred forty (240) days after the Project Initiation Date specified in the Second Notice to Proceed, and Final Completion within thirty(30) days after the date of Substantial Completion.
- 1.3 Upon failure of Contractor to obtain Substantial Completion within the deadline stated in Section 3.2, as extended by any approved time extensions, Contractor shall pay to City the sum of five hundred Dollars (\$500.00) for each day after the deadline for Substantial Completion, as extended by any approved time extensions, until Substantial Completion is obtained. After Substantial Completion, should Contractor fail to complete the remaining Work within the deadline stated in Section 3.2, as extended by approved time extensions thereof, Contractor shall pay to City the sum of five hundred Dollars (\$500.00) for each day after the deadline for Final Completion, as extended by any approved extensions, until Final Completion is obtained. These amounts are not penalties but are liquidated damages to City for its inability to obtain full beneficial occupancy and/or use of the Project. Liquidated damages are hereby fixed and agreed upon between the Parties based on (1) a mutual recognition of the impossibility of precisely ascertaining the amount of damages that will be sustained by City as a consequence of Contractor's failure to timely obtain Substantial Completion; and (2) both

Parties' desire to obviate any question of dispute concerning the amount of said damages and the cost and effect of the failure of Contractor to complete this Contract on time. These liquidated damages shall apply separately to each portion of the Project for which a deadline for completion is given.

- 1.4 City may deduct liquidated damages from monies due to Contractor for the Work under this Contract or as much thereof as City may, in its sole discretion, deem just and reasonable.
- 1.5 Contractor shall reimburse City, in addition to liquidated damages, for all costs incurred by Consultant in administering the construction of the Project beyond the completion dates specified above, as extended by any approved time extensions. Consultant construction administration costs shall be in the amounts set forth in the contract between City and Consultant, a copy of which is available upon request of the Contract Administrator. All such costs shall be deducted from the monies due Contractor for performance of Work under this Contract by means of unilateral credit Change Orders issued by City as costs are incurred by Consultant and agreed to by City.

2 PROGRESS PAYMENTS

- 2.1 Contractor may make an application for payment ("Application for Payment"), at intervals of not more than once a month, for Work completed during the Project. Contractor shall, where the Project involves CBE or SBE Subcontractors, make Application for Payment, at monthly intervals, for Work completed by such Subcontractors during the Project. Contractor's applications shall show a complete breakdown of the Project components, the quantities completed, and the amount of payment sought, together with such supporting evidence as may be required by Consultant or Contract Administrator. Contractor shall submit with each Application for Payment: an updated progress schedule acceptable to Consultant as required by the Contract Documents; a Certification of Payments to Subcontractors Form (Form 9); a statement indicating the cumulative amount of CBE or SBE participation to date; and a release of claims relative to the Work that was the subject of previous applications or consent of surety relative to the Work that is the subject of the Application for Payment. If Contractor has not made payment to a Subcontractor, the Certification of Payments to Subcontractors Form shall be accompanied by a copy of the notification sent to each Subcontractor (listed in Item 2 of the Form) to whom payment has not been made, explaining the good cause why payment was not made. When applicable, an Application for Payment shall be accompanied by a completed Statement of Wage Compliance Form (Form 8A or 8B). Each Application for Payment shall be submitted in triplicate to Consultant for approval as follows:
 - 2.2 All Applications for Payment shall be stamped as received on the date on which they are delivered in the manner specified above. Payments of Applications for Payment shall be subject to approval as specified hereinbefore, and if approved shall be due twenty-five (25) business days after the date on which the Application for Payment is stamped received. At the end of the twenty-five (25) business days, Contractor may send the Contract Administrator an overdue notice. If the Application for Payment is not rejected within four (4) business days after delivery of the overdue notice, the Application for Payment shall be deemed accepted,

except for any portion of the Application for Payment that City determines to be fraudulent or misleading. If the Application for Payment does not meet the requirements of this Contract, City shall reject the Application for Payment within twenty (20) business days after the date stamped received and said rejection shall specify the deficiency and the action necessary to cure that deficiency. If Contractor submits a request that corrects the deficiency, the corrected Application for Payment must be paid or rejected within ten (10) business days after the corrected Application for Payment is stamped as received. Any dispute between City and Contractor shall be resolved pursuant to the dispute resolution procedure set forth in Article 12 of the General Conditions.

2.3 City may withhold retainage on each progress payment as set forth in Section 255.078, Florida Statutes, as may be amended during this Contract. Any reduction in retainage below the maximum amount set forth in Section 255.078, Florida Statutes, shall be at the sole discretion of the Contract Administrator, as may be recommended by Consultant. Any interest earned on retainage shall accrue to the benefit of City.

2.4 Notwithstanding any provision of this Contract to the contrary, Municipality may withhold payment, in whole or in part, in accordance with Applicable Law, or to such extent as may be necessary to protect itself from loss on account of:

- 2.4.1 Inadequate or defective Work not remedied.
- 2.4.2 Claims filed or reasonable evidence indicating probable filing of claims by other parties against Contractor or Municipality relating to Contractor's performance.
- 2.4.3 Failure of Contractor to make payments properly to Subcontractors or for material or labor.
- 2.4.4 Damage to another contractor not remedied.
- 2.4.5 Liquidated damages and costs incurred by Consultant for extended construction administration.
- 2.4.6 Failure of Contractor to provide documents required by the Contract Documents.

When the above grounds are removed or resolved to the satisfaction of the Contract Administrator, any withheld payment shall be made to the extent otherwise due.

3 ACCEPTANCE AND FINAL PAYMENT

3.1 Upon receipt of written notice from Contractor that the Work is ready for final inspection and acceptance, Consultant shall conduct an inspection within ten (10) days. If Consultant and Contract Administrator find that the Work is acceptable; that the requisite documents have been submitted; that the requirements of the Contract Documents are fully satisfied; and that all conditions of the permits and regulatory agencies have been met, a Final Certificate of Payment (Form 11) shall be issued by Consultant, under its signature, stating that the requirements of the Contract Documents have been performed and that the Work is ready for acceptance under the terms and conditions of the Contract Documents.

3.2 Before issuance of the Final Certificate for Payment, Contractor shall deliver to Consultant the following Final Payment Package: a complete release of all claims arising out of this Contract, or receipts in full in lieu thereof; an affidavit certifying that all suppliers and Subcontractors

have been paid in full and that all other indebtedness and financial obligations connected with the Work have been paid, or, in the alternative, a consent of the Surety to final payment on Contractor's behalf; the final corrected as-built Drawings; and the final bill of Materials, if required, and the final Application for Payment. This Final payment package must include the certification document titled Final List of Non-Certified Subcontractors and Suppliers (Form 13), which must be signed and notarized by Contractor. A list of all noncertified Subcontractors and suppliers used must be attached to this certified document.

- 3.3 If, after Substantial Completion, Final Completion is materially delayed through no fault of Contractor, and Consultant so certifies, City shall, upon certification of Consultant, and without terminating this Contract, make payment of the balance due for any portion of the Work fully completed and accepted. Such payment shall be made under the terms and conditions governing final payment, but it shall not constitute a waiver of claims.
- 3.4 Final payment shall be made only after the Board or City's Purchasing Director, as applicable, has reviewed a written evaluation of the performance of Contractor prepared by the Contract Administrator and has approved the final payment. The acceptance of final payment shall constitute a waiver of all claims by Contractor, except those previously made in strict accordance with the provisions of the General Conditions and identified by Contractor as unsettled at the time of the application for final payment.

4 PERFORMANCE BOND AND PAYMENT BOND

- 4.1 Within ten (10) days after being notified of the award, Contractor shall furnish a Performance Bond and a Payment Bond containing all the provisions of the Performance Bond (Form 1) and Payment Bond (Form 2). Each Bond shall be in the amount of one hundred percent (100%) of the Contract Price guaranteeing to City the completion and performance of the Work covered in such Contract as well as full payment of all suppliers, laborers, and Subcontractors employed pursuant to this Project. Each Bond shall be with a surety company that is qualified pursuant to Article 5. Each Bond must name "Broward County" as an additional obligee.
- 4.2 Each Bond shall continue in effect for one (1) year after Final Completion and acceptance of the Work with liability equal to one hundred percent (100%) of the Contract Price, or an additional bond provided to ensure that Contractor will, upon notification by City, correct any defective or faulty Work or Materials that appear within one (1) year after Final Completion of this Contract.
- 4.3 Pursuant to the requirements of Section 255.05, Florida Statutes, Contractor shall ensure that the bond(s) referenced above shall be recorded in the Official Records of Broward County and provide City with evidence of such recording.
- 4.4 In lieu of a Performance Bond and a Payment Bond, Contractor may furnish alternate forms of security in the form of cash, money order, certified check, cashier's check, or unconditional letter of credit. Such alternate forms of security shall be subject to the approval of City and

for same purpose, and shall be subject to the same conditions as those applicable above, and shall be held by City for one (1) year after completion and acceptance of the Work.

5 QUALIFICATION OF SURETY

5.1 For all Bid Bonds, Performance Bonds, and Payment Bonds over Five Hundred Thousand Dollars (\$500,000.00):

5.1.1 Each bond must be executed by a surety company of recognized standing, authorized to do business in the State of Florida as surety, having a resident agent in the State of Florida, and having been in business with a record of successful continuous operation for at least five (5) years.

5.1.2 The surety company shall hold a current Certificate of Authority as acceptable surety on federal bonds in accordance with United States Department of Treasury Circular 570, Current Revisions. If the amount of the Bond exceeds the underwriting limitation set forth in the circular, in order to qualify as a proper surety herein, the net retention of the surety company shall not exceed the underwriting limitation in the circular, and the excess risks must be protected by coinsurance, reinsurance, or other methods in accordance with Treasury Circular 297, Revised (31 C.F.R. §§ 223.10, 223.11). Further, the surety company shall provide City with evidence satisfactory to City that such excess risk has been protected in an acceptable manner.

5.1.3 A surety company that is rejected by City may be substituted by the Bidder or proposer with a surety company acceptable to City, but only if the bid amount does not increase.

5.1.4 All bonds shall be written through surety insurers authorized to do business in the State of Florida as surety, with the following qualifications as to management and financial strength according to the latest (1986 or later) edition of Best’s Insurance Guide, published by AM Best Company, Oldwick, New Jersey:

Amount of Bond	Policy Holder’s Ratings

5,000,001 to 10,000,000	A VIII
Over 10,000,001	A IX

5.2 For projects that do not exceed Five Hundred Thousand Dollars (\$500,000.00), City may accept a Bid Bond, Performance Bond, and Payment Bond from a surety company that has twice the minimum surplus and capital required by the Florida Office of Insurance Regulation at the time the solicitation is issued, if the surety company is otherwise in compliance with the provisions of the Florida Insurance Code, and if the surety company holds a currently valid Certificate of Authority issued by the United States Department of the Treasury under Sections

9304 to 9308 of Title 31 of the United States Code. The Certificate and Affidavit (Form 4) so certifying should be submitted with the Bid Bond, Performance Bond, and Payment Bond.

5.3 More stringent requirements of any grantor agency may be set forth within the Supplemental Conditions. If there are no more stringent requirements, the provisions of this article shall apply.

6 PROJECT RECORDS AND RIGHT TO AUDIT

6.1 Audit Rights and Retention of Records. Contractor shall preserve all Contract Records (as defined below) for a minimum period of three (3) years after expiration or termination of this Contract or until resolution of any audit findings, whichever is longer. Contract Records shall, upon reasonable notice, be open to inspection and subject to audit and reproduction during normal business hours. Audits and inspections pursuant to this article may be performed by any representative of City and/or County (including any outside representative engaged by either entity). City and County may conduct audits or inspections at any time during the term of this Contract and for a period of three (3) years after the expiration or termination of this Contract (or longer if required by Applicable Law, City and/or County). County may, without limitation, verify information, payroll distribution, and amounts through interviews, written affirmations, and on-site inspection with Contractor's employees, Subcontractors, vendors, or other labor.

6.2 City and County shall have the right to audit, review, examine, inspect, analyze, and make copies of all Contract Records at a location within Broward County, Florida. Contractor hereby grants City and County the right to conduct such audit or review at Contractor's place of business, if deemed appropriate by City or County, with seventy-two (72) hours' advance notice. Contractor agrees to provide adequate and appropriate workspace for such review. Contractor shall provide City and County with reasonable access to Contractor's facilities, and City and County shall be allowed to interview all current or former employees to discuss matters pertinent to the performance of this Contract.

6.3 Contract Records include any and all information, materials and data of every kind and character, including without limitation, records, books, papers, documents, subscriptions, recordings, agreements, purchase orders, leases, contracts, commitments, arrangements, notes, daily diaries, drawings, receipts, vouchers and memoranda, and any and all other documents that pertain to rights, duties, obligations, or performance under this Contract. Contract Records include hard copy and electronic records, written policies and procedures, time sheets, payroll records and registers, cancelled payroll checks, estimating work sheets, correspondence, invoices and related payment documentation, general ledgers, insurance rebates and dividends, and any other records pertaining to rights, duties, obligations or performance under this Contract, whether by Contractor or Subcontractors, or otherwise necessary to adequately permit evaluation and verification of any or all of the following:

- c) Compliance with Contract provisions regarding the pricing of Change Orders
- d) Accuracy of Contractor representations regarding the pricing of invoices
- e) Accuracy of Contractor representations related to claims submitted by Contractor including Subcontractors, or any of its other payees.

6.4 Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for City’s disallowance and recovery of any payment reliant upon such entry.

6.5 If an audit inspection or examination in accordance with this article discloses overpricing or overcharges to City of any nature by Contractor or its Subcontractors in excess of five percent (5%) of the total contract billings reviewed, in addition to making adjustments for the overcharges, Contractor shall pay the actual cost of the audit or, if the actual cost is unreasonably high, the reasonable cost. Any adjustments or payments due as a result of any such audit or inspection shall be made within thirty (30) days after presentation of the audit findings to Contractor.

6.6 Contractor shall, by written contract, require its Subcontractors to agree to the requirements and obligations of this Article 17.

7. LOCATION AND DAMAGE TO EXISTING FACILITIES, EQUIPMENT, OR UTILITIES

- 7.1 Utility lines in the Project area have been shown on the Plans. However, City does not represent or warrant that all lines are shown, or that the ones indicated are in their true location. Contractor must identify and locate all underground and overhead utility lines or equipment affecting or affected by the Project. Contractor will not be entitled to any additional payment or extension of time due to discrepancies between actual location of utilities and Plan location of utilities.
- 7.2 Contractor shall notify each utility company with facilities in the Project site, at least thirty (30) days prior to the start of construction, to arrange for positive underground location, relocation, or support of its utility where that utility may be in conflict with or endangered by the Work. The cost of relocation of water mains or other utilities for the convenience of Contractor shall be paid by Contractor. All charges by utility companies for temporary support of its utilities shall be paid for by Contractor. All costs of permanent utility relocation to avoid conflict shall be the responsibility of the utility company involved. Contractor will not be entitled to any additional payment or extension of time for utility relocations, regardless of reason for relocation.
- 7.3 Contractor shall schedule the Work in such a manner that the Work is not delayed by the utility providers relocating or supporting their utilities. Contractor shall coordinate its activities with any and all public and private utility providers occupying the right-of-way. Contractor will not be entitled to any additional compensation or extension of time for any delay associated with utility relocation or support.
- 7.4 Contractor shall protect all overhead, surface, or underground structures and utilities from damage or displacement. Contractor will promptly and completely repair all damage to such structures within a reasonable time. All damaged utilities must be replaced or fully repaired to the satisfaction of the utility owner. All repairs are to be inspected by the utility owner prior to backfilling. City reserves the right to remedy such damage by making such repairs or causing such repairs to be made at the expense of Contractor. City's expense in causing such repairs shall be deducted from Contractor's next Application for Payment.

8 CHANGE ORDERS

- 8.1 Changes in the quantity or character of the Work within the scope of the Project that cannot be accomplished by means of Field Orders or Supplemental Instructions, including all changes resulting in changes to the Contract Price or the Contract Time, shall be authorized only by Change Orders approved in advance and issued in accordance with the provisions of the City's Procurement Code, as amended from time to time.
- 8.2 Contractor shall not start work on any changes requiring an increase in the Contract Price or the Contract Time until a Change Order setting forth the adjustments is approved by City.

Upon receipt of a Change Order, Contractor shall promptly proceed with the Work set forth in the Change Order.

- 8.3 If satisfactory adjustment cannot be reached for any item requiring a change in the Contract Price or Contract Time, and a Change Order has not been issued, City may, at its sole option, either terminate this Contract as it applies to the items in question and make such arrangements as City deems necessary to complete the work associated with the disputed item or submit the matter in dispute to Consultant as set forth in Article 12.
- 8.4 Under circumstances determined necessary by City, Change Orders may be issued unilaterally by City. During the pendency of the dispute, and upon receipt of a Change Order from City, Contractor shall promptly proceed with the change in the Work involved and advise Consultant and Contract Administrator in writing within seven (7) days after receipt of the Change Order of Contractor's agreement or disagreement with the method, if any, provided in the Change Order for determining the proposed adjustment in the Contract Price or Contract Time.
- 8.5 On approval of any Contract change increasing the Contract Price, Contractor shall promptly ensure that the performance bond and payment bond are increased so that each reflects the total Contract Price as increased. Contractor will promptly provide City such updated bonds.

9 VALUE OF CHANGE ORDER WORK

- 9.1 The value of any Work covered by a Change Order or of any claim for an increase or decrease in the Contract Price shall be determined in one of the following ways:
- 9.1.1 If the Work involved is covered by unit prices contained in this Contract, by application of unit prices to the quantities of items involved, subject to the provisions of Section 9.7.
 - 9.1.2 By mutual acceptance of a lump sum, which sum Contractor and City acknowledge contains a component for overhead and profit.
 - 9.1.3 On the basis of the "Cost of Work," determined as provided in Sections 39.2 and 39.3, plus a Contractor's fee for overhead and profit as determined in Section 39.4.
- 9.2 The term "Cost of Work" means the sum of all direct costs necessarily incurred and paid by Contractor (or, if applicable, Subcontractor) in the proper performance of the Work described in the Change Order. Except as otherwise may be agreed to in writing by City, such costs shall be in amounts no higher than those prevailing in the locality of the Project; shall include only the following items; and shall not include any of the costs itemized in Section 39.3.

- 9.2.1 Payroll costs for employees in the direct employ of Contractor in the performance of the Work described in the Change Order under schedules of job classifications agreed upon by City and Contractor. Payroll costs for employees not employed full time on the Work covered by the Change Order shall be apportioned on the basis of their time spent on the Work. Payroll costs shall include, but not be limited to, salaries and wages plus the cost of fringe benefits, which shall include social security contributions, unemployment, excise and payroll taxes, workers' compensation, health and retirement benefits, bonuses, sick leave, vacation, and holiday pay application thereto. Such employees shall include superintendents and foremen at the site. The expenses of performing the Work after regular working hours, on Sunday or legal holidays, shall be included in the above to the extent authorized in advance by City.
- 9.2.2 Cost of all materials and equipment furnished and incorporated in the Work, including costs of transportation and storage thereof, and manufacturers' field services required in connection therewith. All cash discounts shall accrue to Contractor unless City deposits funds with Contractor to make payments, in which case the cash discounts shall accrue to City. All trade discounts, rebates and refunds, and all returns from sale of surplus materials and equipment shall accrue to City, and Contractor shall make provisions so that they may be obtained. Rentals of all construction equipment and machinery, and the parts thereof, whether rented by Contractor, in accordance with rental agreements approved by City with the advice of Consultant, and the costs of transportation, loading, unloading, installation, dismantling and removal thereof, all in accordance with the terms of said agreements. City will not be responsible for the cost of the rental of any such equipment, machinery, or parts when the use thereof is no longer necessary for the Work.
- 9.2.3 If required by City, Contractor shall obtain competitive bids from Subcontractors acceptable to Contractor, and shall deliver such bids to City who will then determine, with the advice of Consultant, which bids will be accepted. If the subcontract provides that the Subcontractor is to be paid on the basis of Cost of Work plus a fee, the Subcontractor's Cost of Work shall be determined in the same manner as Contractor's Cost of Work. All Subcontractors shall be subject to the other provisions of this Contract insofar as applicable.
- 9.2.4 Cost of special consultants, including, but not limited to, engineers, architects, testing laboratories, and surveyors employed for services specifically related to the performance of the work described in the Change Order.

9.2.5 Supplemental costs including the following:

9.2.5.1 All materials, supplies, equipment, machinery, appliances, office and temporary facilities, including transportation and maintenance thereof, at the site and hand tools not owned by the workers used in the performance of the Work, less market value of such items used but not consumed, and which items remain the property of Contractor.

9.2.5.2 Sales, use, or similar taxes related to the Work, imposed by any governmental authority, for which Contractor is liable.

9.2.5.3 The cost of utilities, fuel, and sanitary facilities at the site.

9.2.5.4 Cost of premiums for additional bonds and insurance required because of changes in the Work.

9.3 The term “Cost of Work” shall not include any of the following:

9.3.1 Payroll costs and other compensation of Contractor’s officers, executives, principals (of partnership and sole proprietorships), general managers, engineers, architects, estimators, schedulers, lawyers, auditors, accountants, purchasing and contracting agents, expeditors, timekeepers, clerks and other personnel employed by Contractor whether at the site or in its principal or a branch office, for general administration of the Work that are not specifically included in the agreed-upon schedule of job classifications referred to in subsection 39.2.1, all of which payroll costs and other compensation are to be considered administrative costs covered by Contractor’s fee.

9.3.2 Expenses of Contractor’s principal and branch offices other than Contractor’s field office at the Project site.

9.3.3 Any part of Contractor’s capital expenses, including but not limited to interest on Contractor’s capital employed for the Work as well as charges against Contractor for delinquent payments.

9.3.4 Cost of premiums for all bonds and for all insurance, whether Contractor is required by this Contract to purchase and maintain the same, except for additional bonds and insurance required because of changes in the Work.

9.3.5 Costs due to the negligence or neglect of Contractor, any Subcontractors, or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable, including but not limited to, the correction of defective Work, disposal of materials or

equipment wrongly supplied, and repairing or remedying any damage to property.

9.3.6 Other overhead or general expense costs of any kind.

9.4 Contractor's fee for overhead and profit shall be determined as follows:

9.4.1 A mutually acceptable fixed fee, or if no fixed fee can be agreed upon;

9.4.2 A fee based on the following percentages of the various portions of the cost of the Work:

9.4.2.1 For costs incurred under subsections 9.2.1 and 9.2.2, Contractor's fee shall not exceed ten percent (10%).

9.4.2.2 For costs incurred under subsection 9.2.3, Contractor's fee shall not exceed seven and one-half percent (7.5%); and if a subcontract is on the basis of cost of the work plus a fee, the maximum allowable to the Subcontractor as a fee for overhead and profit shall not exceed ten percent (10%); and

9.4.2.3 No fee shall be payable on the basis of costs itemized under subsections 9.2.4 and 9.2.5 (except subsection 9.2.5.3) and Section 9.3.

9.5 The amount of credit to City for any change that results in a net decrease in cost will be the amount of the actual net decrease. When both additions and credits are involved in any one change, the combined overhead and profit shall be figured on the basis of the net increase, if any. Contractor shall not be entitled to claim lost profits for any Work not performed.

9.6 Whenever the cost of any Work is to be determined pursuant to Sections 9.2 and 9.3, Contractor will submit in a form acceptable to Consultant an itemized cost breakdown together with the supporting data.

9.7 If the quantity of any item of the Work covered by a unit price is increased or decreased by more than twenty percent (20%) from the quantity of such Work indicated in this Contract, an appropriate Change Order shall be issued to adjust the unit price, if warranted.

9.8 Whenever a change in the Work is to be based on mutual acceptance of a lump sum, whether the amount is an addition, credit or no change-in-cost, Contractor shall submit an initial cost estimate acceptable to Consultant and Contract Administrator.

9.8.1 Such cost estimate shall include a breakdown listing the quantities and unit prices for materials, labor, equipment, and other items of cost.

9.8.2 Whenever a change involves Contractor and one or more Subcontractors and the change is an increase in the Contract Price, overhead and profit percentage for Contractor and each Subcontractor shall be itemized separately.

9.9 Each Change Order must state within the body of the Change Order whether it is based upon unit price, negotiated lump sum, or “Cost of Work.”

10 SUPERINTENDENCE AND SUPERVISION

10.1 Municipality’s instructions are to be given through Consultant, which instructions Contractor must strictly and promptly follow in every case. Contractor shall keep on the Project a full-time, competent, English-speaking superintendent and any necessary assistants, all of whom must be satisfactory to Consultant. The superintendent shall not be changed except with the written consent of Consultant, unless the superintendent proves to be unsatisfactory to Contractor and ceases to be in its employ. The superintendent shall represent Contractor; all instructions given to the superintendent shall be as binding as if given to Contractor, and will be confirmed in writing by Consultant upon the written request of Contractor. Contractor shall provide efficient supervision of the Work, using its best skill and attention.

10.2 On a daily basis, Contractor’s superintendent shall record, at a minimum, the following information in a bound log: the day; date; weather conditions and how any weather condition affected progress of the Work; time of commencement of Work for the day; the Work being performed; materials, labor, personnel, equipment and Subcontractors at the Project site; visitors to the Project site, including representatives of Municipality, Consultant, or regulatory representatives; any event that caused or contributed a delay to the critical path of the Project; any special or unusual conditions or occurrences encountered; and the time of termination of Work for the day. All information shall be recorded in the daily log in ink, unless otherwise approved by Consultant. The daily log shall be kept on or accessible from the Project site and shall be available at all times for inspection and copying by Municipality and Consultant.

10.3 The Contract Administrator, Contractor, and Consultant shall meet at least every two (2) weeks (or as otherwise determined by the Contract Administrator) during the course of the Work to review and agree upon the Work performed to date and to establish the controlling items of Work for the next two (2) weeks. Consultant shall publish, keep, and distribute minutes and any comments thereto of each such meeting.

10.4 If Contractor, in the course of performing the Work, finds any discrepancy between this Contract and the physical conditions of the locality, or any errors, omissions, or discrepancies in this Contract, it shall be Contractor’s duty to immediately inform Consultant, in writing, and Consultant will promptly review same. Any Work done after such discovery, until authorized, will be done at Contractor’s sole risk, without entitlement to reimbursement or compensation.

10.5 Contractor shall supervise and direct the Work competently and efficiently, devoting such attention thereto and applying such skills and expertise as may be necessary to perform the Work in accordance with this Contract. Contractor shall be solely responsible for the means, methods, techniques, sequences, and procedures of construction.

11 DIFFERING SITE CONDITIONS

If during the course of the Work Contractor encounters (1) subsurface or concealed conditions at the Project site that differ materially from those shown in the Contract Documents and from those ordinarily encountered and generally recognized as inherent in work of the character called for in this Contract; or (2) unknown physical conditions of the Project site, of an unusual nature, which differ materially from that ordinarily encountered and generally recognized as inherent in work of the character called for in this Contract, then Contractor, without disturbing the conditions and before performing any Work affected by such conditions, shall, within twenty-four (24) hours of their discovery, notify Contract Administrator and Consultant in writing of the existence of the aforesaid conditions. Consultant and Contract Administrator shall, within two (2) business days after receipt of Contractor's written notice, investigate the site conditions identified by Contractor. If, in the sole opinion of Contract Administrator, the conditions do materially so differ and cause an increase or decrease in Contractor's cost of, or the time required for, the performance of any part of the Work, whether or not charged as a result of the conditions, Contract Administrator may recommend an equitable adjustment to the Contract Price, or the Contract Time, or both. If Contract Administrator and Contractor cannot agree on an adjustment in the Contract Price or Contract Time, the adjustment shall be referred to Consultant for determination in accordance with the provisions of the Contract Documents. No request by Contractor for an equitable adjustment to this Contract under this provision shall be allowed unless Contractor has given written notice to Contract Administrator in strict accordance with the provisions of this article. **No request for an equitable adjustment or change to the Contract Price or Contract Time for differing site conditions shall be allowed if made after the date certified by Contract Administrator as the date of Substantial Completion.**

12 NOTIFICATION AND CLAIM FOR CHANGE OF CONTRACT TIME OR CONTRACT PRICE

- 12.1 any claim for a change in the Contract Time or Contract Price shall be made by written notice by Contractor to the Contract Administrator and to Consultant within five (5) days of the commencement of the event giving rise to the claim or Contractor's knowledge of the claim, and the notice shall state the general nature and cause of the claim. Thereafter, within twenty (20) days after the termination of the event giving rise to the claim or Contractor's knowledge of the claim, Contractor shall submit written notice of the extent of the claim with supporting information and documentation to the Contract Administrator and Consultant (hereinafter "Claim Notice"). The Claim Notice shall include Contractor's written notarized certification that the adjustment claimed is the entire adjustment to which Contractor has reason to believe it is entitled as a result of the occurrence the event giving rise to the claim. If the Contract Administrator and Contractor cannot resolve a claim for changes in the Contract Time or Contract Price within twenty (20) days after receipt of the Claim Notice by the Contract Administrator and Consultant, then Contractor shall submit the claim to Consultant within five (5) days after the date of impasse in accordance with the contract documents. IT IS EXPRESSLY AND SPECIFICALLY AGREED THAT ANY AND ALL CLAIMS FOR CHANGES TO THE CONTRACT TIME OR CONTRACT PRICE SHALL

BE WAIVED IF NOT SUBMITTED IN STRICT ACCORDANCE WITH THE REQUIREMENTS OF THIS SECTION.

12.2 The Contract Time will be extended in an amount equal to time lost on critical Work items due to delays beyond the control of and through no fault or negligence of Contractor if a claim for an extension is made in accordance with Section 40.1. Such delays shall include, but not be limited to, acts, omissions, or neglect by any separate contractor employed by City, fires, floods, labor disputes, epidemics, abnormal weather conditions or acts of God.

13 NO DAMAGES FOR DELAY

No claim for damages or any claim, other than for an extension of time, shall be made or asserted against City by reason of any delays except as provided herein. Contractor shall not be entitled to an increase in the Contract Price or payment or compensation of any kind from City for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising from delay, disruption, interference or hindrance from any cause whatsoever, whether such delay, disruption, interference or hindrance be reasonable or unreasonable, foreseeable or unforeseeable, or avoidable or unavoidable. Contractor shall be entitled only to extensions of the Contract Time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above; provided, however, that this provision shall not preclude recovery of damages by Contractor for actual delays due solely to fraud, bad faith, or active interference on the part of City or its Consultant.

14 EXCUSABLE DELAY; COMPENSABLE; NON-COMPENSABLE

14.1 Excusable Delay. Delay that extends the completion of the Work and that is caused by circumstances beyond the control of Contractor or its Subcontractors, suppliers, or vendors are Excusable Delay. Contractor is entitled to a time extension of the Contract Time for each day the Work is delayed due to Excusable Delay. Contractor shall document its claim for any time extension as provided in Article 10 hereof. Failure of Contractor to comply with Article 10 hereof as to any particular event of delay shall be deemed conclusively to constitute a waiver, abandonment, or relinquishment of any and all claims resulting from that particular event of delay. Excusable Delay may be compensable or non-compensable, as provided below.

14.1.1 Compensable Excusable Delay. Excusable Delay is compensable when (i) the delay extends the Contract Time; (ii) is caused by circumstances beyond the control of Contractor or its Subcontractors, suppliers, or vendor; and (iii) is caused solely by fraud, bad faith, or active interference on the part of City or its agents. In no event shall Contractor be compensated for interim delays that do not extend the Contract Time. Contractor shall be entitled to direct and indirect costs for Compensable Excusable Delay. Direct costs recoverable by Contractor shall be limited to the actual additional costs allowed pursuant to Article 9 hereof.

City and Contractor recognize and agree that the amount of Contractor's precise actual indirect costs for delay in the performance and completion of the Work is impossible to determine as of the date of execution of this Contract, and that proof of the precise amount will be difficult. Therefore, indirect costs recoverable by Contractor shall be liquidated on a daily basis for each day the Contract Time is delayed due to a Compensable Excusable Delay. These liquidated indirect costs shall be paid to compensate Contractor for all indirect costs caused by a Compensable Excusable Delay, and shall include, but not be limited to, lost profits, all profit on indirect costs, home office overhead, acceleration, loss of earnings, loss of productivity, loss of bonding capacity, loss of opportunity and all other indirect costs incurred by Contractor. The amount of liquidated indirect costs recoverable shall be Five Hundred Dollars (\$ 500) per day for each day this Contract is delayed due to a Compensable Excusable Delay.

14.1.2 Non-Compensable Excusable Delay. When Excusable Delay is (i) caused by circumstances beyond the control of Contractor, its Subcontractors, suppliers, and vendors; (ii) caused by circumstances beyond the control of City or Consultant; or (iii) caused jointly or concurrently by Contractor or its Subcontractors, suppliers, or vendors and by City or Consultant, then Contractor shall be entitled only to a time extension and no further compensation for the delay.

15 DOMESTIC PARTNERSHIP REQUIREMENT

Unless this Contract is exempt from the provisions of the Broward County Domestic Partnership Act, Section 16½-157, Broward County Code of Ordinances ("Act"), Contractor certifies and represents that it will at all times comply with the provisions of the Act, and the contract language referenced in the Act is deemed incorporated in this Contract as though fully set forth in this section. The failure of Contractor to comply shall be a material breach of this Contract, entitling City to pursue any and all remedies provided under Applicable Law including, but not limited to (1) retaining all monies due or to become due Contractor until Contractor complies; (2) termination of this Contract; and (3) suspension or debarment of Contractor.

16 EQUAL EMPLOYMENT OPPORTUNITY AND CBE/SBE COMPLIANCE

16.1 No party to this Contract may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Contract, except that any project assisted by the U.S. Department of Transportation funds shall comply with the nondiscrimination requirements in 49 C.F.R. Part 26. Contractor shall include the foregoing or similar language in its contracts with any Subcontractors.

16.2 Contractor shall comply with all applicable requirements of Section 1-81, Broward County Code of Ordinances, in the award and administration of this Contract. Failure by Contractor to carry out any of the requirements of this article shall constitute a material breach of this

Contract, which shall permit Municipality to terminate this Contract or exercise any other remedy provided under this Contract, the Broward County Code of Ordinances, the Broward County Administrative Code, or under other Applicable Law, all such remedies being cumulative.

- 16.3 Contractor must meet or exceed the required CBE or SBE goal by utilizing the CBE or SBE firms listed in Exhibit ___ (or a CBE/SBE firm substituted for a listed firm, if permitted) for thirty-five percent (35%) of total Work under this Contract (the "Commitment"). In performing the Work, Contractor shall utilize the CBE or SBE firms listed in Exhibit ___ for the scope of work and the percentage of work amounts identified on each Letter of Intent. Promptly upon execution of this Contract by Municipality, Contractor shall enter into formal contracts with the CBE or SBE firms listed in Exhibit ___ and, upon request, shall provide copies of the contracts to the Contract Administrator and OESBD.
- 16.4 Each CBE or SBE firm utilized by Contractor to meet the CBE or SBE goal must be certified by OESBD. Contractor shall inform Municipality immediately when a CBE or SBE firm is not able to perform or if Contractor believes the CBE or SBE firm should be replaced for any other reason, so that OESBD can review and verify the good faith efforts of Contractor to substitute the CBE or SBE firm with another CBE or SBE firm. Whenever a CBE or SBE firm is terminated for any reason, Contractor shall provide written notice to OESBD and, upon written approval of the Director of OESBD, shall substitute another CBE or SBE firm in order to meet the CBE or SBE goal, unless otherwise provided in this Contract or agreed to in writing by the Parties. Such substitution shall not be required if the termination results from modification of the scope of services and no CBE or SBE firm is available to perform the modified scope of services; in which event, Contractor shall notify OESBD, and OESBD may adjust the CBE or SBE goal by written notice to Contractor. Contractor shall not terminate a CBE or SBE firm for convenience without OESBD's prior written consent, which consent shall not be unreasonably withheld.
- 16.5 The Parties stipulate that if Contractor fails to meet the Commitment, the damages to Municipality arising from such failure are not readily ascertainable at the time of contracting. If Contractor fails to meet the Commitment and County determines, in the sole discretion of the OESBD Program Director, that Contractor failed to make Good Faith Efforts (as defined in Section 1-81, Broward County Code of Ordinances) to meet the Commitment, Contractor shall pay Municipality liquidated damages in an amount equal to fifty percent (50%) of the actual dollar amount by which Contractor failed to achieve the Commitment, up to a maximum amount of ten percent (10%) of the total contract amount excluding costs and reimbursable expenses. An example of this calculation is stated in Section 1-81.7, Broward County Code of Ordinances. As elected by Municipality, such liquidated damages amount shall be either credited against any amounts due from Municipality, or must be paid to Municipality within thirty (30) days after written demand. These liquidated damages shall be Municipality's sole contractual remedy for Contractor's breach of the Commitment, but shall not affect the availability of administrative remedies under Section 1-81. Contractor acknowledges and agrees that the liquidated damages provided in this section are proportionate to an amount that might reasonably be expected to flow from a breach of the Commitment and are not a penalty. Any failure to meet the Commitment attributable solely to force majeure, changes to the Scope of Work by Municipality, or inability to substitute a CBE or SBE Subcontractor where the OESBD Program Director has determined that such

inability is due to no fault of Contractor, shall not be deemed a failure by Contractor to meet the Commitment.

- 16.6 Contractor acknowledges that County, may make minor administrative modifications to Section 1-81, Broward County Code of Ordinances, which shall become applicable to this Contract if the administrative modifications are not unreasonable. Written notice of any such modification shall be provided to Contractor and shall include a deadline for Contractor to notify Municipality in writing if Contractor concludes that the modification exceeds the authority under this section. Failure of Contractor to timely notify Municipality of its conclusion that the modification exceeds such authority shall be deemed acceptance of the modification by Contractor.
- 16.7 OESBD may modify the Commitment in connection with any amendment, extension, modification, or change order to this Contract that, by itself or aggregated with previous amendments, extensions, modifications, or change orders, increases the initial Contract price by ten percent (10%) or more. Contractor shall make a good faith effort to include CBE or SBE firms in work resulting from any such amendment, extension, modification, or change order, and shall report such efforts, along with evidence thereof, to OESBD.
- 16.8 No later than ten (10) business days after the end of the month, Contractor shall provide written monthly reports to the Contract Administrator and to OESBD (in the form and in the manner requested by OESBD) attesting to Contractor's compliance with the Commitment. In addition, Contractor shall allow Municipality and OESBD to engage in onsite reviews to monitor Contractor's progress in achieving and maintaining the Commitment. The Contract Administrator in conjunction with OESBD shall perform such review and monitoring, unless otherwise determined by the County Administrator.
- 16.9 The Contract Administrator may withhold progress payments if Contractor fails to demonstrate timely payments of sums due to all Subcontractors and suppliers. The presence of a "pay when paid" provision in a Contractor's contract with a CBE or SBE firm shall not preclude Municipality or its representatives from inquiring into claims of nonpayment.

SUPPLEMENTAL GENERAL CONDITIONS

SUPPLEMENTAL WAGE REQUIREMENTS

1. Prevailing Wage Rate Ordinance - This Project is not federally funded. If the price of this Contract is in excess of Two Hundred Fifty Thousand Dollars (\$250,000.00), the following sections shall apply.

1.1. The rate of wages and fringe benefit payments for all laborers, mechanics, and apprentices shall not be less than those payments for similar skills in classifications of work in a like construction industry as determined by the Secretary of Labor and as the most recently published in the Federal Register.

1.2. All mechanics, laborers, and apprentices, employed or working on the site of the Work, shall be paid in accordance with the above referenced wage rates. Contractor shall post this section of the Contract (Supplemental Wage Requirements) at the site of the Work in a prominent place where it can be easily seen by the workers.

1.3. If the Parties cannot agree on the proper classification of a particular class of laborers or mechanics or apprentices that will be used on the Work site, the Contract Administrator shall submit the question, together with its recommendation, to the Municipality Manager for final determination, which shall be binding.

1.4. If the Contract Administrator determines that any laborer or mechanic or apprentice employed by Contractor or any Subcontractor on the site of the Work has been or is being paid wages less than the rate of wages required by the Prevailing Wage Ordinance, Section 26-5 of the Broward County of Ordinances, as amended, the Contract Administrator may (1) by written notice to Contractor direct Contractor to terminate the Work or such part of Work for which there has been a failure to pay said required wages; and (2) contract with another party to perform the Work or portion thereof to completion. Whereupon, Contractor and its Sureties shall be liable to Municipality for any and all costs incurred by Municipality to complete such Work to the extent such costs exceed any amounts that Contractor would be due for performance of such Work.

1.5. Contractor shall maintain payrolls and basic records relating thereto during the course of the Work and shall preserve such for a period of three (3) years thereafter for all laborers, mechanics, and apprentices working at the site of the Work. Such records shall contain the name and address of each such employee; the employee's current classification; rate of pay (including rates of contributions for, or costs assumed to provide, fringe benefits); daily and weekly number of hours worked; deductions made; and actual wages paid.

1.6. Contractor shall submit, with each application for payment, a signed and sworn "Statement of Compliance" (Form 8A) attesting to compliance with the Prevailing Wage Ordinance, Section 26-5 of the Broward County of Ordinances, as amended.

1.7. The Contract Administrator may withhold or cause to be withheld from Contractor so much of the payments requisitioned as may be considered necessary to pay laborers and

mechanics, including apprentices, trainees, and guards employed by Contractor or any Subcontractor on the Work, the full amount of wages required by this Contract.

1.8. If Contractor or any Subcontractor fails to pay any laborer, mechanic, or apprentice employed or working on the site of the Work all or part of the wages required by this Contract, the Contract Administrator may, after written notice to Contractor, take such action as may be necessary to cause suspension of any further payments or advances until such violations have ceased.

2. Federal Grant Projects:

2.1. Because this Project will be funded, in whole or in part, by the United States government through _____ [Federal Agency] _____ and referred to as _____ No. _____, all Federal assurances applicable to such funding, including any and all supervening assurances set forth in Rules and Regulations published in Federal Register or C.F.R., shall apply to this Contract.

Accordingly, all clauses, terms, or conditions required by federal grantor agency with respect to the federal funding for this Project are hereby attached and made a part of this Contract.

SECTION 1 - INTRODUCTION AND INFORMATION

1.1 SCOPE

1.1.1 The City of Dania Beach, Florida (the “City” or “Owner”), is actively seeking bids from qualified Contractors (the “Contractor”), for a project known as “**SOUTHEAST DRAINAGE RETROFIT PROJECT, PHASE I**”. The project consists of various drainage improvement operations as outlined in Attachment ‘A’ Technical Specifications.

1.1.2 By submitting a bid, the Bidder acknowledges that he, she, or it is familiar with the scope of services prior to submitting a bid. Failure of a Bidder to be familiar with the requirements of the Project Work does not relieve the Contractor of the responsibility for completion of all required services for the Project.

1.1.3 It shall also be the Bidder's responsibility to visit the proposed Project Site to become thoroughly familiar with the nature and extent of the Work to be performed and all local existing site conditions, and to make his or her own estimate of the facilities and difficulties attending the execution of the Work; no allowance shall be made by the Owner for the Bidder's failure to do so.

1.1.4 Bids will be considered if submitted by qualified Contractors who or which have experience, including similar previous work in the provision of the requested services. Contractors offering full service will receive the highest consideration.

1.1.5 Applicants should include the following items in the submitted Bid:

Letter of Transmittal;

- a. Anticipated timeline to begin delivery of services;
- b. A breakdown of the costs for the delivery of services described above.
- c. Résumés of key personnel who will actually be assigned to the Project Work and a description of the role of each person within the company.

- e. A list of five (5) similar projects performed in South Florida (see the form to be used which is included as Exhibit “A”, “Bidder Qualifications”; it is made a part of and is incorporated into the ITB by this reference) and it includes the following information:
 - 1) Name of each entity for which the work was performed;
 - 2) Brief description of the scope of work;
 - 3) Amount of initial contract award; and
 - 4) Name of contact person and contact information with the entity who can knowledgeably discuss your company’s performance.
- f. Indication that the Contractor can provide increased levels of service (additional hours) at the same cost per hour; and
- g. Any other information that the Contractor feels is relevant to assist the City in evaluating Contractor’s qualifications.
- h. The City intends to award an agreement to the lowest, responsive, responsible Bidder for the requested services specified in the ITB, taking into consideration experience, staffing, equipment, materials, references and past performance. The City reserves the right to reject any and all bids, to waive any informality in a bid

and to make an award in the best interests of the City. In case of disputes in the award of the agreement, the decision of the City shall be final and binding on both parties.

- i. If the Bidder to whom or to which an award is made fails to enter into an agreement, the award may be annulled and the agreement offered to the next most qualified Bidder or to the Bidder which offered the next lowest, responsive and responsible bid in the opinion of the City. **THE CONTRACTOR AND ANY SUBCONTRACTOR(S) SHALL NOT COMMENCE WORK ON THE PROJECT UNTIL AN AGREEMENT HAS BEEN FULLY EXECUTED BY BOTH PARTIES.**

- g. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. SECTION 3 - NO BIDS

If a Bidder does not intend to bid, please indicate the reason, such as insufficient time to respond, do not offer product or service, unable to meet specifications, schedule would not permit, or any other reason. Failure to bid prior to the date and time scheduled for the bid opening may result in the Bidder being deleted from the City’s bidders’ registration list for the services requested in the Invitation to Bid.

SECTION 4 - CAUSES FOR REJECTION OF A BID

4.1 No bid will be considered or accepted that, in the opinion of the City, is informal or unbalanced, or contains inadequate or unreasonable prices for any items; each item must carry its own proportion of the cost as nearly as is practicable. However, the City shall be under no obligation to investigate the correctness of any bid, and the Bidder by signing the bid shall be deemed to have verified that no errors appear in the bid as submitted. Any alterations, erasures, interlineations or failures of a bid to contain all items called for in the ITB may result in rejection

of the bid.

4.2 If any Bidder violates any provision in the ITB, such Bidder may be disqualified from performing the Project Work, or from furnishing the requested services for which the bid was submitted, and the Bidder may be further disqualified from bidding on any future bids for work, for goods, or for services for the City.

4.3 The Bidder shall complete the “**Bid Form**”, which is attached as Exhibit “B”; it is made a part of and is incorporated into the ITB by this reference.

5.4 The Bidder, prior to submitting a bid, shall ascertain that it has received any Addendum or Addenda issued by the City for this Project, and that shall be acknowledged in writing by an authorized representative.

5.5 Costs for those matters not questioned and not addressed in an Addendum or Addenda, shall be the responsibility of the Bidder, and Bidder shall be responsible to include such costs within the submitted Bid.

5.6 **Bidders shall use the Bid Document Forms furnished in the ITB.** Bid Base Amounts shall be furnished in both words and numerals, and in case of a discrepancy between the two, the amount written in words shall govern.

5.7 In the event of a mathematical error in the extension of any unit price, or addition of total price, the unit price shall prevail.

5.8 **Insurance Coverage:** Bidders who are responding to the Invitation to Bid (“ITB”) **MUST** comply with all of the insurance requirements specified in Section 27 (“Insurance Requirements”) of the Bid Documents and the Agreement upon award to the successful Bidder.

SECTION 6 - GENERAL CONDITIONS

The City and its representatives, agents, Contractors and advisors shall not be liable to any Bidder for any claims, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any other matter whatsoever, incurred by any Bidder in preparing and submitting a Bid, or participating in negotiations for a contract, or any other activity related to or arising out of this ITB.

6.4 No Contract: By submitting a Bid and participating in the process as outlined in this ITB, Bidders expressly agree that no contract of any kind is formed under or arises from this ITB prior to the complete signing by both parties of a formal written contract.

If requested by the City, a Bidder should provide all pertinent information regarding ownership of the entity within forty-eight (48) hours of the City’s request.

SECTION 7 - SPECIAL CONDITIONS

7.1 Any and all Special Conditions contained in the ITB that may be in variance or conflict with the General Conditions shall have precedence over the General Conditions. If no changes or deletions to General Conditions are made in the Special Conditions, then the General Conditions shall prevail in their entirety.

7.2 The Notice of Invitation to Bid, Bidder’s Questionnaire, Specifications, Exhibits, Addendum or Addenda, the legal advertisement of the ITB and any other pertinent documents form a part of

the ITB, and ultimately, the agreement; all of the documents are made a part of and are incorporated into the ITB and the awarded agreement.

SECTION 8 - PUBLIC ENTITY CRIMES STATEMENT

A person or affiliate who, or which has been placed on the State of Florida convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a Contractor, supplier, subcontractor or Contractor under an agreement with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 F. A copy of the Sworn Statement on Public Entities Crimes is attached as Exhibit "F"; a copy is made a part of and is incorporated into the ITB by this reference.

SECTION 9 – PRICES, TERMS ARE TO BE FIRM

9.1 The Bidder warrants by virtue of its Bid that the prices, terms and conditions contained in the ITB shall be firm for a period of no less than one hundred twenty (120) calendar days from the date of the bid opening.

9.2 The bid prices shall include all permit fees, royalties, license fees, taxes and other costs arising from the use of the materials and equipment in any way involved in the Project Work, as well as all costs of packaging, transporting and delivery of any materials and equipment to the designated location within the City, and the site cleanup. If the Project exceeds a cost of \$50,000.00, the agreement is subject to the City's Prevailing Wages' Ordinance, Code of Ordinances; a copy is attached as Exhibit "G" and it is made a part of and is incorporated into the ITB by this reference.

9.3 The City may require the addition or deletion of services from the Contractor if the requirements and needs of the City change, in City's sole opinion. This may entail additional services and additional locations. The Contractor shall provide the City with costs for these additional services and additional locations or both, based upon the cost structure utilized in establishing the pricing for listed locations in initially contracted areas. Deletion of locations, services, or both shall be handled in the same manner as described above. If the costs offered are not acceptable to the City, the City reserves the right to procure the additional services from one or more other Contractors.

SECTION 10 - BID SECURITY

10.1 Bid Security: Simultaneously with the delivery of an executed Bid to the Owner, the Bidder shall furnish to the Owner a Bid Security in the amount of Ten Thousand Dollars (\$10,000.00) as security for the faithful execution of an Agreement with the Owner in the event of a bid award by the City Commission.

10.2 Bid security may be in the form of a cashier's check payable to the City of Dania Beach and drawn on a Florida bank, or a Bid Bond (see Exhibit "K") issued by a surety meeting the qualifications stated in these Instructions to Bidders. Bonds shall be submitted on the forms provided by the Owner. Bonds shall be returned subsequent to award of the Agreement by the City Commission and execution by the successful Bidder and the appropriate City officials. If the Bidder fails to submit the required executed agreement within fourteen (14) calendar days after an award, the Bidder agrees that the City may retain the bid security deposit as the City's liquidated damages.

10.3 Failure of the successful Bidder to execute an Agreement, to furnish Performance and Payment Bonds when required, and to furnish Certificates of Insurance in the minimum amounts specified in the Bid shall be just cause for the rescission of the agreement award and the retention of the Bid Security deposit by the Owner. Such retention shall be considered not as a penalty, but as liquidation of the claims of the Owner for damages it sustained, which are not otherwise readily ascertainable. Award may then be made to the next ranked Bidder, or all Bids may be rejected.

SECTION 11 - PROTECTION OF PROPERTY

11.1 The successful Bidder shall at all times guard against damage or loss to City property or property of other persons, vendors or Contractors and shall be responsible for replacing or repairing any such damage or loss. The Contractor will be required to report any such damages immediately to the City's representative in charge of the Project.

13.2 Taxes: The City is exempt from any taxes related to the requested services, which may otherwise be imposed by the state or federal government. This exemption does not transmit to suppliers in their purchases of goods or services, used in work or goods supplied to the City. The Contractor shall pay all applicable sales, consumer, use and other similar taxes required by law. The Contractor is responsible for reviewing the pertinent state statutes involving the sales tax and complying with all requirements..

SECTION 14 - RETENTION OF RECORDS AND RIGHT TO ACCESS

The successful Bidder shall preserve and make available all financial records, supporting documents, statistical records, and any other documents pertinent to the agreement for a period of three (3) years after termination or conclusion of the agreement, or if an audit has been initiated and audit findings have not been resolved at the end of these three (3) years, the records shall be retained by the City until resolution of audit finding.

SECTION 15 - NON-COLLUSION STATEMENT

By submitting a bid, the Bidder affirms that the bid is without previous understanding, agreement, or connection with any person, business, or corporation and that the bid is in all respects fair, and made without collusion or fraud. The Non-Collusion Affidavit form must be executed by the Bidder; a copy of the form is attached as Exhibit "H"; it is made a part of and is incorporated into the ITB by this reference.

SECTION 16 - MINIMUM AND MANDATORY TECHNICAL SPECIFICATIONS

The technical specifications may include items that are considered minimum, mandatory, or required. If any Bidder is unable to provide these items, and feels that the technical specifications are overly restrictive, the Bidder must notify the City of Dania Beach in writing immediately. Such notification must be received by the City prior to the deadline contained in the ITB, for questions of a material nature, at least ten (10) calendar days prior to the bid opening date. If no such notification is received prior to that deadline, the City will consider the technical specifications to be acceptable to the Bidder.

SECTION 17 - PUBLIC RECORDS

17.1 Bid Submissions Shall Become City Property: All submissions become the property of the City and will not be returned to the Bidder. The City will hold all submissions in confidence unless otherwise required by law.

17.2 Contractor's Obligations: Bidders should be aware the City is a "public body" as defined in Florida Statutes, Section 119.011(2) and that it is subject to Florida Statutes, Section 119.0701(2) (a), and the related provisions of the Florida Public Records Law. If awarded this project, the following will apply:

17.2.1 Documents to Be City Property: Unless otherwise provided by law, any and all records, including but not limited to reports, surveys, and other data and documents provided or created in connection with the contract are and shall remain the property of the City.

17.2.2 Maintenance of Records: Bidder agrees to keep and maintain public records in Bidder's possession or control in connection with Bidder's performance under the contract. Bidder additionally agrees to comply specifically with the provisions of Section 119.0701, Florida Statutes. Bidder shall ensure that public records that are exempt or confidential and exempt from public

records disclosure requirements are not disclosed, except as authorized by law, for the duration of the contract, and following completion of the contract until the records are transferred to the City.

17.2.3 Response to Public Records Requests: Upon request from the City custodian of public records, Bidder shall provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by Chapter 119, Florida Statutes, or as otherwise provided by law.

17.2.4 Delivery of Records: Upon completion of the contract or in the event of termination by either party, any and all public records relating to the contract in the possession of the Bidder shall be delivered by the Bidder to the City Manager, at no cost to the City, within seven (7) days. All such records stored electronically by Bidder shall be delivered to the City in a format that is compatible with the City's information technology systems. Once the public records have been delivered upon completion or termination of the contract, the Bidder shall destroy any and all duplicate public records that are exempt or confidential and exempt from public records disclosure requirements.

Any compensation due to Bidder shall be withheld until all records are received as provided in this ITB.

17.2.5 Failure to Comply: Bidder's failure or refusal to comply with the provisions of this section shall result in the immediate termination of the contract by the City.

17.3 Florida Public Records Law: Pursuant to Section 119.0701(2) (a), Florida Statutes:

SECTION 19 - QUALIFICATION OF BIDDERS

19.1 Bidders' Qualifications: The Bidder shall complete the Bidders' Qualifications Form (Exhibit "A") attached, along with any other evidence of satisfactory experience and ability to perform the proposed Work. The failure of Bidder to demonstrate successful performance of projects of a similar magnitude, scope and value as this project may be deemed to be grounds for declaring the Bidder to be non-responsible.

19.2 Certified Financial Statement: If requested by the Owner, the Bidder shall submit a certified financial statement, prepared within thirty (30) days of submission of the bid, indicating current financial resources, liabilities, capital equipment, and financial history performance.

- d. The submittal of more than one Bid from an individual, firm, partnership, corporation or association under the same or different names. All such parties shall be disqualified.
- e. Untimely bids shall be automatically and absolutely disqualified and returned unopened. Excuses for the untimely submittal shall not be accepted. The time of bid receipt documented by the City Clerk's office shall determine the timeliness of the Bid.

19.4 Non-responsible Bidder: A Bidder may be determined by the Owner to be "non-responsible" once Bids are opened, and a Bid may be rejected for any one or more of (but not limited to) the following reasons:

- a. Determination of a lack of competency as may be revealed by qualification statements, financial statements, experience records or other information disclosed to Owner by other sources.
- b. The Bidder's uncompleted or pending workload on other projects, which in the judgment of the Owner may cause detrimental impact on timely completion of the Work.

- e. If the Bidder fails to demonstrate successful performance and completion of projects of a similar magnitude, scope or value as this project.

- a. If the Bidder fails to submit a complete Bid, including but not limited to, submitting evidence of all insurance coverages required by the Bid and the Contract Documents.
- b. If the Bidder fails in any way to abide by any of the provisions of the Contract Documents.

SECTION 20 - CONTRACTOR'S RELATION TO THE CITY

It is expressly agreed upon and understood that the Contractor will be in all respects an independent contractor as to the Project Work, and that the Contractor is in no respect an agent or employee of the City. The agreement will specify the Project Work to be done by the Contractor, but the method to be employed to accomplish the work shall be the responsibility of the Contractor, unless otherwise provided in writing in the agreement. Contractor and its employees are not entitled to any of the benefits that the City provides for City employees.

SECTION 21 - EMPLOYEES OF THE CONTRACTOR

21.1 Contractors shall only designate employees who are sufficiently skilled to provide the required services specified in the ITB. Any person employed to provide the services who fails, refuses or neglects to obey the instructions of the City's representative in anything relating to these services, or who appears to be disorderly, insubordinate, or incompetent shall upon the order of City's representative, be immediately relieved by the Contractor from the Project Work. Any interference with, or any abusive or threatening conduct toward any City representative, its assistants or inspectors by the Contractor, its employees or agents, or any member of the public shall be grounds for the City to terminate the agreement and re-let the work. The Contractor shall furnish all labor, materials, supplies and equipment necessary to properly maintain all Project Work areas in an acceptable and safe condition.

21.2 Contractor agrees that it and its officers shall be held fully responsible, except as otherwise prohibited by law, for all acts of their employees while in their employ.

SECTION 33 - BID PROTEST PROCEDURE

33.1 After a Notice of Intent to Award a contract is posted, any actual or prospective Bidder

claiming to be aggrieved in connection with the pending award of the Contract or any element of the process leading to the award of the Contract may protest to the City Manager. Filing shall be considered complete when the protest and a Bid Protest Bond are timely received by the City Manager's Office.

If the protest is decided in the protester's favor, the entire deposit shall be returned to the protester. If the protest is not decided in the protester's favor, the deposit shall be retained by the City. The deposit shall be in the form of a cashier's check, and shall be the one percent (1%) of the amount of the pending award to the initial successful Bidder or five thousand (\$5,000.00) dollars, whichever is less.

33.3 The Protest Committee shall have the authority to review, settle, and resolve all protests. Members of the Protest Committee will be appointed by the City Manager. If the Protest Committee determines that the protest has merit, the City Manager shall direct that all appropriate steps are to be taken to remedy it.

33.4 In the event of a timely protest, the City Manager shall stay the award of the Contract unless, after consulting with the City Attorney and a representative from the City's Department for which the services are being obtained, the City Manager determines that the award of the Contract without delay is necessary to protect the substantial interests of the City. The continuation of the bid award process under these circumstances shall not preempt or otherwise affect the protest.

SECTION 34 - LITIGATION

34.1 In addition to any other provision of this ITB, the City may, in its absolute discretion, reject a Bid if the Bidder, or any officer or director of the Bidder submitting the Bid, is or has been engaged directly or indirectly in legal action against the City, its elected or appointed officers, representatives or employees in relation to any matter.

34.2 In determining whether or not to reject a Bid under this section, the City will consider whether the litigation is likely to affect the Bidder's ability to work with the City, its Contractors and representatives and whether the City's experience with the Bidder indicates that there is a risk that the City will incur increased staff and legal costs in the administration of the contract if it is awarded to the Bidder.

34.3 A contract with the successful Bidder will include the following:

GOVERNING LAW; CONSENT TO JURISDICTION. The law of the State of Florida shall govern the contract. The contract is not subject to arbitration. **THE PARTIES EXPRESSLY WAIVE ALL RIGHTS TO TRIAL BY JURY FOR ANY DISPUTES**

MATERIAL CONTRACT TERM.**

34.4 All claims, counterclaims, disputes and other matters in question between City and the Contractor arising out of, relating to or pertaining to the Contract, the breach of it, the services of it, or the standard of performance required in it, are to be addressed by resort to non-binding mediation as authorized under the laws and rules of Florida; provided, however, that in the event of any dispute between the parties, the parties agree to first negotiate with each other for a resolution of the matter or matters in dispute and, upon failure of such negotiations to resolve the dispute, the parties shall resort to mediation. If mediation is unsuccessful, any such matter may be determined by litigation in a court of competent jurisdiction in Broward County, Florida, or the Federal District Court of the Southern District of Florida and appropriate appellate courts for such venue and jurisdiction. If City or Contractor incurs any expense in enforcing the terms of the Contractor, whether suit is brought or not, each party shall bear its own costs and expenses including, but not limited to, court costs and reasonable attorney fees.

SECTION 35-SOVEREIGN IMMUNITY

Contractor acknowledges that the Florida Doctrine on Sovereign Immunity bars all claims by Contractor against the City other than claims arising out of this Agreement. Specifically, the Contractor acknowledges that it cannot and will not assert any claims against the Contractor, unless the claim is based upon a breach by the Contractor of this Agreement. Further, the Contractor recognizes the Contractor is a sovereign with regulatory authority that it exercises for the health, safety, and welfare of the public. This Agreement in no way estops or affects the Contractor's exercise of that regulatory authority. In addition, the Contractor retains the full extent of its sovereign immunity in relation to the exercise of its regulatory authority. The Contractor acknowledges that it has no right and will not make claim based upon any of the following:

- a. Claims based upon any alleged breach by the Contractor of implied warranties or representations not specifically set forth in this Agreement, as the parties stipulate that there are no such implied warranties or representations of the Contractor. All obligations of the Contractor are only as set forth in this Agreement;
- b. Claims based upon negligence or any tort arising out of this Agreement;
- c. Claims upon alleged acts or inaction by the City, its commissioners, attorneys, administrators, Contractors, agents, or any Contractor employee;
- d. Claims based upon an alleged waiver of any of the terms of this Agreement unless such waiver is in writing and signed by an authorized representative for the Contractor and Contractor.

SECTION 36- SCRUTINIZED COMPANIES

Contractor shall certify that it is not on the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes (2018), and that it is not engaged in a boycott of Israel. The City may terminate this Agreement at the City's option if Contractor is found to have submitted a false certification as provided under subsection (5) of section 287.135,

Florida Statutes (2018), as may be amended or revised, or been placed on the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes (2018), as may be amended or revised, or is engaged in a boycott of Israel.

SECTION 37- VERIFICATION OF EMPLOYMENT ELLIGIBILITY

Contractor represents that Contractor and each SubContractor has registered with and uses the E-Verify system maintained by the United States Department of Homeland Security to verify the work authorization status of all newly hired employees in compliance with the requirements of Section 448.095, Florida Statutes, and that entry into this Agreement will not violate that statute. If Contractor violates this section, Municipality may immediately terminate this Agreement for cause and Contractor shall be liable for all costs incurred by Municipality due to the termination.

- (c) where competition is considered to be inadequate relative to the size, type, and location of the project.

38.3 Prohibition of Negotiations with Contractors or Bidders: Negotiations with contractors are not permitted during the advertisement, award, or execution period of the contracting process.

38.4 Contract Award and Execution: The City will enter into a contract with the lowest priced and the most responsive and responsible bidder. If the City is unable to come to terms with the lowest priced and the most responsive and responsible bidder, the City shall initiate the award process with the next lower priced most responsive and responsible bidder, and so on, until a contract is executed.

The City is under no obligation to accept any Bid submitted. The City reserves the right in its sole discretion to waive informalities in, or, at any time in the process and to reject any or all Bids at any time.

All costs incurred in the preparation and presentation of any Bid shall be wholly absorbed by the Bidder. All supporting documentation and manuals submitted with any Bid will become the property of the City of Dania Beach unless otherwise requested by the Bidder at the time of

Any person who violates a provision of this section may be prohibited from serving on a City selection or evaluation committee. In addition to any other penalty provided in this ITB, violation of any provision of this section by a City employee may subject the employee to disciplinary action. 1. **DEFINITIONS**

- (A) **Balance of the Contract Price:** The total amount payable by the Owner to the Contractor under the Construction Contract after all proper adjustments have been made including allowance to the Contractor of any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Construction Contract.
 - (B) **Construction Contract:** The agreement between the Owner and the Contractor identified on the signature page, including all Contract Documents and changes to them.
 - (C) **Contractor Default:** Failure of the Contractor, which failure has neither been remedied nor waived, to perform or otherwise to comply with the terms of the Construction Contract.
 - (D) **Owner Default:** Failure of the Owner, which failure has neither been remedied nor waived, to pay the Contractor as required by the Construction Contract or to perform and complete or comply with the other terms of it.
2. The Contractor and the Surety, jointly and severally bind themselves, their heirs, executors, administrators, successors and assigns to the Owner for the performance of the Construction Contract, which is incorporated into this document by this reference.
3. If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except to participate in conferences.
4. If there is no Owner Default, the Surety's obligation under this Bond shall arise after:
- (A) The Owner has notified the Contractor and the Surety at its address described in paragraph ten (10) below that the Owner is considering declaring a Contractor Default and has requested and attempted to arrange a conference with the Contractor and the Surety to be held not later than fifteen (15) calendar days after receipt of such notice to discuss methods of performing the Construction Contract. If the Owner, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, to subsequently declare a Contractor Default; and
 - (B) The Owner has declared a Contractor Default and formally terminated the Contractor's right to complete the Contract. Such Contractor Default shall not be declared earlier than twenty (20) calendar days after the Contractor and the Surety have received; and

- (C) The Owner has agreed to pay the Balance of the Contract Price to the Surety in accordance with the terms of the Construction Contract or to a Contractor selected to perform the Construction Contract in accordance with the terms of the Contract with the Owner.
5. When the Owner has satisfied the conditions of paragraph 4, the Surety shall promptly and at the Surety's expense take one of the following actions:
- (A) Arrange for the Contractor, with consent of the Owner, to perform and complete the Construction Contract; or
 - (B) Undertake to perform and complete the Construction Contract itself, through its agents or through independent contractors; or
 - (C) Obtain bids or negotiated Bids from qualified Contractors acceptable to the Owner for a Contract for performance and completion of the Construction Contract, arrange for a Contract to be prepared for execution by the Owner and the Contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified Surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in paragraph six (6) in excess of the Balance of the Contract Price incurred by the Owner resulting from the Contractor's default; or
 - (D) Waive its right to perform and complete, arrange for completion, or obtain a new Contractor acceptable to the Owner and with reasonable promptness under the circumstances:
 - 1. After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, tender payment therefor to the Owner; or
 - 2. Deny liability in whole or in part and notify the Owner citing reasons therefor.
6. If the Surety does not proceed as provided in paragraph four (4) with reasonable promptness, the Surety shall be deemed to be in default on this Bond fifteen (15) calendar days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds, on in part, without further notice, the Owner shall be entitled to enforce any remedy available to the Owner.
7. After the Owner has terminated the Contractor's right to complete the Construction Contract, and if the Surety elects to act, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. To the limit of the amount of this Bond, but subject to

commitment by the Owner of the Balance of the Contract Price to mitigation of costs and damages on the Construction Contract, the Surety is obligated without duplication for:

- (A) The responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;
- (B) Additional legal, design professional and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under paragraph 4; and
- (C) Liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.

Liquidated Damages

Time is of the essence regarding this Invitation to Bid Construction and the work contemplated hereunder and the City may suffer financial loss and inconvenience if the work is not completed to the satisfaction of the City by the time stipulated in the Contract. Therefore, failure to timely complete the work shall result in the awarded Bidder being subject to liquidated damages, but not as penalty, in the amount of \$500.00 per calendar day, as set forth in 23 CFR 635.127, for each and every calendar day the work remains incomplete or the items remain undelivered. As compensation due the City for loss of use and for additional costs incurred by the City due to such non-completion of the work, the City shall have the right to deduct the liquidated damages from any amount due, or that may become due to the awarded Bidder under the Contract, or to invoice the awarded Bidder for such damages if the costs incurred exceed the amount due to the awarded Bidder. The awarded Bidder and the City agree that the amount for liquidated damages is not punitive, and is intended to compensate the City for difficult to quantify losses.

- 8. The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators or successors.
- 9. The Surety waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.
- 10. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after Contractor Default or within two (2) years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

11. Notice to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the first page of this document.
12. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with such statutory or legal requirement shall be deemed deleted from this document and provisions conforming to such statutory or other legal requirement shall be deemed incorporated into it. The intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

4. With respect to Claimants, this obligation shall be null and void if the Contractor promptly makes payment, directly or indirectly, for all sums due.

2. Have either received a rejection in whole or in part from the Contractor, or not received within thirty (30) days of furnishing the above notice any communication from the Contractor by which the Contractor has indicated the claim will be paid directly or indirectly; and
 3. Not having been paid within the above thirty (30) days, have sent a written notice to the Surety (at the address described in Paragraph 12) and sent a copy, or notice of it, to the Owner, stating that a claim is being made under this Bond and enclosing a copy of the previous written notice furnished to the Contractor.
6. If a notice required by paragraph four (4) is given by the Owner to the Contractor, or to the Surety, that is sufficient compliance.
7. When the Claimant has satisfied the conditions of paragraph 4, the Surety shall promptly and, at the Surety's expense, take the following actions:
 - (A) Send an answer to the Claimant, with a copy to the Owner, within forty-five (45) days after receipt of the claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed.
 - (B) Pay or arrange for payment of any undisputed amounts.
8. The Surety's total obligation shall not exceed the amount of this Bond, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.
9. Amounts owed by the Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under any Construction Performance Bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of the Contractor and the Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.
10. The Surety shall not be liable to the Owner, Claimants or others for obligations of the Contractor that are unrelated to the Construction Contract. Actual receipt of notice by Surety, the Owner or the Contractor, however accomplished, shall be sufficient compliance as of the date received at the address shown on the signature page.
